

How might the pupil in your class feel?

Would it be helpful to discuss some of these issues with classmates? Perhaps they could suggest support strategies.

- I'm lonely. I miss my friends. I can't talk to anyone here
- I don't understand what you're saying, but I nod to show I acknowledge you
- It's rude to look at an adult
- I smile at you to show I respect you
- I'm scared to talk in English in case I say it wrong or people laugh at me
- It was much stricter / not as strict at my old school
- I can't touch you
- I'm used to eating with my family
- I'm so tired I feel angry
- Please don't ask me to answer. I don't know if I'm right
- Why are you making me talk? Writing is more important.
