

Literacy	Follow a recipe and then create your own instructions to turn your teacher (or little brother) into a toad!	Imagine you were alive during the Great Fire. Write a diary entry and remember to use all of your senses when describing the events.	Practice spelling all of the Year 1 and Year 2 tricky words- you will be able to find a list online, with a Google search.	Write a story about an adventure which Paddington had with the Browns. Remember that bad things seem to happen to Paddington because he is a clumsy bear!	Use newspapers or magazines to cut out letters. Then use them to create a list of words to describe how you are feeling right now.	Write a simple explanation about how plants grow and what they need to make this happen.	Practice your beautiful, cursive handwriting using as many materials as you can- pens, paint, chalk, finger in sand etc.	Create a You Tube style information video explaining why it is important that people wash their hands carefully and show them how to do it properly.	Read, read, read, read! You can read books, magazines, food packets, subtitles on TV, Bug Club books, websites. So much to read!
Maths	Use scales to measure when cooking or baking.	Make your own physical activity game where you can practice your 2,5 and 10x tables.	Ask your grown up to give you some 2digit + 2 digit questions to solve using column addition.	Ask your grown up to give you some 2digit - 2 digit questions to solve using column addition.	Compare numbers using the greater and less than signs. Go in the garden and do this with chalk or stones on the floor.	Create your own clock with moving hands and then use this to learn to tell the time.	Share objects into halves and quarters. Sweets are great for this because you can eat them afterwards!	Visit the White Rose Maths Hub website for daily problems to solve and other fun activities.	Play shops and practice paying for items. For an extra challenge can you give change?
Science	Plant seeds, flowers and observe the progress of your garden. Draw pictures of what you see and the changes over time.	If you can get out, look at the changes in plants and trees. Seek out signs of Spring. Draw and label a plant or tree. What can you plant at this time of year?	Can you make your own balloon hovercraft? Can you improve on the ones we made in class by swapping the CD for another material? Can you find a better lid?	Share your understanding of a healthy diet. Think about food, lifestyle and teeth. You can use a poster, create an advert or rap/song.	Find out about Polar bears and what makes them suitable to live in the Arctic. What is special about them? Draw and label a picture about this.	Find out what different baby animals are called. Think about how you can present your information so that you can share it with someone else.	Make a picture to show the lifecycle of an animal such as a frog or a butterfly.	Create a list of materials which are fire proof and those which are not.	Go on a bug hunt in your garden. Look at the different habitats which different bugs enjoy living in.
Topic	Create a fire safety plan with your family. What is your escape plan? Create a poster to display.	Fire Fighters have really changed through the ages. https://www.twinkl.co.uk/resource/firefighters-then-and-now-ks1-powerpoint-t-tp-2548652 Create a poster or leaflet sharing what you have learned.	Role play how the emergency service calls work. https://www.bing.com/ideas/search?q=role+play+999+call&view=detail&mid=CD6694FB492B5007DEE6CD6694FB492B5007DEE6&FORM=VIRE&adlt=strict Create a poster, video, advert explaining why we should not make false emergency calls.	Use Espresso log on to watch films to find out about historical sources. https://central.espresso.co.uk/espresso/primary_uk/subject/module/frontscreen/item976473/grade1/index.html?source=espresso-home-keystage1highlights	Write a letter to Thomas Farriner telling him how to stop this from happening again!	Create a Power Point or a poster with some information about Samuel Pepys.	Find out about the Royal Family. Create a family tree of the Queen and her immediate family. Can you create a family tree of your own family?	Look at a London Tube Map online. Plan a journey of which stations you would pass through to get from one place to another in London. You could draw your route.	Create a poster to persuade people to visit a famous London landmark. Choose words and phrases which will make them want to come and visit.
Creative	Follow a recipe and create a cake or meal. Lay the table with name cards and a menu.	Use resources from your recycling to create a model of a house from 1666 when the Great Fire of London happened.	Create your own model/design a new Cathedral for London.	Paint a picture of the Great Fire of London. Think really carefully about the colours you choose.	Listen to a range of music from different composers and draw pictures to show what the piece of music makes you think about. The Carnival of Animals is a really good place to start.	Create a sign for outside the new rebuilt bakery on Pudding Lane. Think about what you will call it and how to make it appealing to customers.	Make up your own song about the Great Fire of London. You can use London's Burning tune if you want a starting point.	Use junk modelling to make a modern fire engine. Can you make it move?	Make up your own 'fire dance.' Imagine that you are a flame growing and spreading. Think carefully about your movements.
