

# Art Competition

This competition is open to everyone in school.

All you have to do is create a profile picture of yourself including information about your heritage, race, culture, religion that will give us a picture of all the different nations we represent in our Global Community.

You can use any media you choose for example paint, crayons, felt tips or collage – using magazines or coloured paper. You might like to use text in your art to describe yourself – it really is up to you how you wish to interpret it!!

Here are a few ideas to get you started

Begin with an outline of your profile and fill it with details that represent you!

I can't wait to see the amazing artwork I know you will be doing!

There will be some fantastic prizes to be won. Get your entry to school by Tuesday 9<sup>th</sup> February 2021
