

Our Values in Action

English

Resilience

We persevere to master the basic skills. This pupil is very committed and determined to learn his spellings and achieve well in his tests.

Innovation

We want to inspire imagination and creativity. Here one of our youngest pupils is engaging with a story and creating his own character adventures.

Critical Thinking

We explore the feelings of characters in our texts using discussion, debate and drama. Here Year 1 are using hot seating to explore the feelings of loneliness in Pirate Mouse.

Communication

Oracy is at the heart of our English units. Here some Year 1 pupils are working together to orally retell a story that they have sequenced, in preparation for writing.

Curiosity

We want all of our children to be fascinated and enthralled by literature. Here one of our nursery children is choosing to read a story he has heard lots of times before, remembering the repeated refrains.

Positivity

English lessons are fun and engaging. We feel proud of the super outcomes we create.
