## Cost of living crisis

Dear Parents/Carers

Central Family Centre have placed a successful bid to support the cost-of-living crisis.

The focus is around sleep poverty and hygiene poverty. They will have hygiene products and sleep products available in the family centre for families to collect (They will also be in a position to purchase some hygiene and sleep products as per specific request)

Further to this they also have another £5000 of Aldi vouchers to support families struggling with the cost of living.

The main criteria and target base is as follows.

- Households on low incomes struggling to pay bills or in debt, i.e., households whose main income is less than £24,000 per annum.
- Vulnerable households who have additional needs such as older people, people with mental health support needs, the disabled or people who have a learning disability.

They will also need to collect data based on whether the family.

\*Economically inactive households.

Unemployed households.

Employed households.

(\*Economically inactive are those not looking for work such as students and carers.)

Please contact **Mrs Karan**, if you meet the criteria, for a referral.
